Ho-Chunk Nation Annual General Council Addresses 18 Proposed Resolutions

Ardith Van Riper Editor

The 2024 Ho-Chunk Nation Annual General Council meeting was held on September 21 at the Kalahari Conference Center in Wisconsin Dells. The General Council retains the power to set policy for the Ho-Chunk Nation. The quorum requirement was 1,277 tribal members. This total was met and exceeded at 12:15 PM, when registration reached 1,819 voting members. Quorum is twenty percent of the eligible voters of the Nation.

Registration began at 8:00 AM. The Master of Ceremonies Rebecca Davis and General Council Advocate Nathaniel Longtail, Jr., made announcements. The Enrollment Division was on hand to produce Tribal Identification Cards. The Information Technology Division assisted with registration. Various programs, departments, and craft venders exhibited booths in the morning. Verbal and written reports were given while quorum was being established. Sampson Falcon from the Language Division coordinated a game modeled off of Family Feud.

It was a beautiful day for the second Annual All-Abilities Stroll. The event was held on September 7, and about 75 people came out to enjoy the Stroll. The Stroll was hosted by Ho-Chunk Health and Wellness, Jackson in Action, and District 1 Community Center.

The event was created to encourage people who can't complete standard event distances (5k) to be able to complete a course. This includes people with disabilities, families with young children, and those who can only walk short distances. The District 1 Community Center has been the ideal place for this due to the flat, smooth surface to walk or roll on.

We had great support from the community with 17 rest station sponsors this year. We are very grateful to all of them! Each rest station had chairs so participants *Continued on Page 2*

Removal of District 2 Legislator, Representative **Robert Funmaker Jr.**

Today's (September 18) removal hearing for Robert Funmaker Jr. has exceeded the threshold required to consider his continued service as a Ho-Chunk Nation District 2 Legislator. The Legislature voted 11-0-0, to adopt the resolution for his removal. Article IX, Section 3 of the Constitution states, "the Legislature may remove a member of the Legislature for good cause." The charges outlined in Resolution 9-18-24A detail the unlawful actions and lack of propriety that placed our Nation at risk.

Continued from Page 1 could sit and rest until ready to move on to next station - about one tenth of a mile apart. The first year is always a "learning" year, so we encouraged the stations to just promote fun, fun, fun this year. We had music, bubbles, beads, fanny packs, color, Hawaiian leis, sunglasses, snacks, water, funny signs, and games that were out on the course.

We were able to put some goody bags together as well as offer some door prizes. We are very grateful to those who provided items.

We were very happy that Jackson in Action was selected as being a Community Grant Recipient from Theisen's. We were able to build a wheelchair

While this decision is not pleasing to anyone involved, it was made in accordance with our laws, in order to protect our government and ensure that our elected officials are held to a high ethical standard which is consistent with our legislative duties and responsibilities. This process is one that no Legislator wishes to be a part of, as it is both exhausting and disheartening. Nonetheless, the Legislature will continue to strive toward a better future for our Nation, upholding values we have sworn to protect.

Moving forward, our plan is to hold this event on the Saturday after Labor Day. Mark your calendars for September 6, 2025. Thank you again to everyone who had a part in this and participated.

Congratulations **Attorney Martha** Simmons

DNR Publishes Final Environmental Impact Statement For Proposed Enbridge Line 5 Relocation

MADISON, Wis. – The Wisconsin Department of Natural Resources (DNR) today published its final Environmental Impact Statement for Enbridge, Inc.'s proposal to replace a segment of its Line 5 liquid petroleum pipeline in Ashland and Iron counties.

Operational since 1953, Line 5 is part of an extensive network of petroleum transport pipelines owned and operated by Enbridge Energy, LLC. The existing line runs for 645 miles from Superior, Wisconsin, to Sarnia, Ontario, including a 12-mile segment that passes through the Bad River Reservation of the Bad River Band of Lake Superior Chippewa.

Enbridge is proposing to replace 20 miles of existing pipeline, including the 12mile segment within the reservation, with 41 miles of new pipeline routed entirely outside the reservation's border.

Wisconsin law requires all state agencies to prepare a detailed statement, called an environmental impact statement, or EIS, for major actions that significantly affect the quality of the human environment. An EIS is an objective, detailed and comprehensive analysis of the anticipated environmental and socioeconomic impacts of a proposed project and its alternatives.

Per s. NR 150.30(1), Wis. Admin. Code, the purpose of an EIS is to inform decision-makers and the public of the anticipated effects on the quality of the human environment of a proposed action or project and alternatives to the proposed action or project. An EIS shall consider the proposed action or project, alternatives and anticipated environmental effects in a dispassionate manner, and may not advocate a particular position about a proposed action or project.

¹ Enbridge has applied for multiple DNR permits. The DNR is reviewing Enbridge's permit application materials and will give due consideration to the EIS as part of the process of making final decisions to approve, deny or condition the permits and approvals under application.

Enbridge will also need to secure permits and approvals from the U.S. Army Corps of Engineers and Bad River Band of Lake Superior Chippewa before they can proceed with the proposed project.

For a list of frequently asked questions and answers, visit this DNR webpage. For a general overview of

Department of Administration

A written report was received.

Rep. Robert Funmaker, Jr. asked if there are plans/ presentation for the powwow grounds that they can take to the area meetings next week. Executive Director of Administration (EDOA), Michael Rave said he will e-mail the drawings down.

Rep. Funmaker, Jr. asked if there is going to be any movement/plans for the unexpended funds that were budgeted for the House of Wellness upgrades. Rep. Stephanie Begay said there was a resolution adopted for the House of Wellness upgrades and renovations. Executive Legislative Information Officer Malachi Emery will forward the resolution to EDOA Rave.

Rep. Sarah Lemieux-White Eagle asked if there is going to be a listening session regarding the pow-wow grounds. The Legislators have been getting questioned about if the plans will be brought to area meetings.

Rep. Rodney Rave mentioned the decision was made to postpone the remodel of the Black River Falls pow-wow grounds until next year for public comments. Rep. Rave said they will still go ahead with the Neeshla pow-wow grounds this spring, as the community was fine with what was proposed. As far as public comment or public hearings, they have not gotten that far. They will have the entire winter for comments.

EDOA Rave said he will provide a written update to the Legislature, and provided a verbal update on the status of the pow-wow grounds. The conceptual renderings have been completed and are based on existing usage of the pow-wow grounds with some improvements, and enlarging the arena area. The initial quotes on construction, demolition and rebuild came in as \$1,793,000, the project is over budget.

Rep. Kristin White Eagle asked if the project is over budget for Black River Falls only or does that include the Neeshla grounds. Part of the Land Use plan included the Sanford White Eagle Legion Post being moved to Neeshla grounds. EDOA Rave said that was not in the scope of the project, and he has not seen any formal request on the Legion Post being moved.

Unfinished Business:

Department of Housing

Executive Director of Housing (EDOH) Denise Wright was requested by a motion to bring back options to the next Legislative Meeting.

EDOH Wright is present and read the Tier 1 solutions and explained the Diversion Program. This is in collaboration with Department of Labor, Department of Education and Department of Social Services. Department of Housing and Department of Labor are planning on holding a community engagement meeting to address the immediate issues facing Ho-Chunk Tribal members.

Rep. Kristin White Eagle said this a very comprehensive plan, and she appreciates of the work EDOH Wright has done. Rep. White Eagle asked President Greendeer, if he has a plan to coordinate this among the Executive Departments to make this program successful. What are the thoughts of having one special coordinator, as there seems to be a need for one?

President Jon Greendeer has to congratulate EDOH Wright and her team for putting together a plan that is compassionate and forgiving. President Greendeer says Housing has worked on a holistic plan with wrap around care for those who need housing. If the tenant does not get a renewal it is not because the Nation hasn't extended every ability they can. The Office of the President is 100% in support of the department's decision making, people on the ground, and meeting with the tenants. When the tenants are not in compliance, the Nation is at the end of their abilities. The management that the Department of Housing is offering is reasonable, compassionate and it keeps them in the home. If EDOH Wright and her team are in need of additional support, the Office of the President will greenlight it and bring it to the Legislature.

Executive Director of Labor Jean Stacy-Snow said the Labor Department is in full support of Housing and their proposed plan. Labor has Intake Specialists who are ready to go. Elder Division Manager Christine Funmaker-Romano also placed the job postings in the Worak for part time intake workers. The Labor staff are willing to go to any of the area meetings to help residents complete the forms.

NOTED FOR THE RECORD: Rep. Kristin White Eagle would like it noted that the Office of the President will ensure that the Diversion Program is carried out, managed and coordinated properly.

MOTION by Rep. Kristin White Eagle for the Legislature to support the proposal that Executive Director of Housing has presented today, including the diversion program and request that any assistance from Legislative Branch be brought forth to us, and that the Legislature is in support that our Tribal members have secure housing.
